

Girlguiding South West England

Partnerships and Sponsorships

How it works

Get in touch with the Region team if you would like to chat to us about partnership opportunities.

 www.girlguidingsouthwest.org.uk

 communications@ggswe.org.uk

 01722 329306

We will use our partnership screening policy to consider any future partnerships and be in touch if we have any further questions.

We understand that one size does not always fit all – we want to work with you to tailor a partnership package that is exactly right for you.
